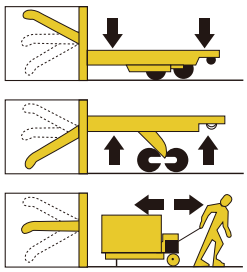
Hand Pallet Truck

- Well painted integrated cast hydraulic pump, robust and durable, with fine control of lowering speed, overload valve, and low maintenance rate.



- Ergonomically designed handle with rubber grip allows the optimized safety as well as comfort.
- Three position operational handle lever for lifting, transporting and lowering purposes.

- Optional iron wheels.

- Additional entry & exit roller guarantees easy entry and exit of closed pallet.
- Adjustable push rod can adjust fork to even level when forks are not balanced after long term use or incorret use.
- 5mm fork steel thickness, Integrated bending fork, ensures durability.

- The 12 copper bushings at rocker arms and wheel frames protect axle holes, ensuring quiet running properties and particularly long service life.

- Customized fork length available: 1500, 1800, 2000 mm.
